

Exam Format

MATHEMATICAL KANGAROO COMPETITION

- **Contest Start Date:** 18th April, 2026
- **Contest End Date :** 30th April, 2026
- **Last Date for Registration :** 31st March, 2026
- **Grade :** 1 to 12

Note: *Final dates would be announced shortly.

- This is a 90-minute exam. For Grades 5 to 12, there will be 30 questions worth 120 points, and for Grades 1 to 4, there will be 24 questions worth 96 points. Each question contains five MCQ-based options.
- Individually registered students can only take the online exam, & Schools interested in participating in the Mathematical Kangaroo Competition can apply through both offline and online mode.
- For participants who registered offline, the contest will be conducted by the designated contact person at the student's school.
- They will be given an answer sheet (OMR Sheet) to write their response on. They can use a blank sheet for calculation and, after the exam, it must be handed back to the proctor or invigilator.
- Pre Ecolier-1 and Pre Ecolier-2 students will take the same test paper but will be ranked separately. Same applies for Ecolier-1 & 2; Benjamin-1 & 2; Cadet- 1&2; Junior-1 & 2 and Student-1 & 2.
- 1 point will be deducted for each incorrect answer, and no penalty for skipping a question.
- During the exam, pencils, pens, erasers, rulers, and other geometrical instruments are allowed.
- Instruments or gadgets like calculators, smart watches, etc. are strictly prohibited.
- The first-round perfect scorer will appear in the Final round of competition.
- In the final round of competition, the first-round perfect scorer will compete. Students who score higher than 95% in the final round will receive a Perfect Score Award, a Gold Medal, and \$100 in cash.

Exam Format

HIPPO ENGLISH OLYMPIAD

- **Contest Start Date:** April, 2026*
- **Contest End Date :** April, 2026*
- **Last Date for Registration :** April, 2026*
- **Grade :** 1 to 12

Note: *Final dates would be announced shortly.

- **The Competition Is Being Run In Four Rounds:** Preliminary round, Semi-Final round, Regional Qualifiers, and Final round. The Preliminary and Semi-Final rounds are held online by the International Olympiad Academy for individual participants and will be held offline for school-registered students by school, respectively. The Regional Qualifier is held by Hippo Org. In Rome, Italy, the Final round will be held.
- **Preliminary Round:** The exams for the Olympiad's Preliminary round will be divided into two sections: a reading comprehension test (multiple choice questions) and an English usage test.
- **National Final Round:** After the Preliminary round tests have been marked, the top 10% of participating students from each participating country will be invited to the National Final round. The Olympiad's National Final round assessments will include a reading test, a writing test (30 questions), and an essay (except for Little Hippo) & the essay will be assessed only in case two or more candidates have a score on both the reading and the writing test. The writing test will consist of a free-writing task (100–200 words depending on the category) and 30 questions.
- **Regional Qualifiers Round:** The candidate who will be selected for the Regional Qualifier round, exam information will be provided by hippo-olympiad.org. During the Regional Qualifier round of the Hippo test of English, candidates must complete a crossword puzzle and 30 open-ended Use of English questions. The official Hippo website, hippo-olympiad.org, contains samples for the Hippo test of English.
- **Final Round :** In the Olympiad's Final round, the candidates take a Gatehouse Awards exam, which covers all four skills: reading, writing, listening, and speaking. The GA Writing test will only be marked for certification purposes, it will not be used to decide on a Final round ranking list. In addition to the four GA examinations, candidates also complete a 30-question test on the use of English. The result of this test will only be used for Final round ranking purposes and will not affect the GA examination qualification score. **In Rome, Italy, the Final round will be held.**
- **Negative Marking:** There is only one correct answer to every question. There are no negative marks. The average score obtained in each test is used to determine the ranking.

***Note:**

- In case of any change in the schedule of the exam, the revised date will be updated on our site.
